

Special Events 2017-2018

Updated 07.25.2017

In an effort to help our families plan ahead, we have compiled this list of special events that will occur during the 2017-2018 school year. This list does not necessarily include every special event that will come up along the way (field trips and athletic contests, for example), but it includes all significant events that have been scheduled at the start of the school year. Please note that it is subject to change, and **the monthly event calendars that come home are the most current and reliable source of information.** Our website calendar is also updated regularly.
