

2026-2027 Special Events

In an effort to help our families plan ahead, we have compiled this list of special events that will occur during the school year. This list does not necessarily include every special event that will come up along the way (field trips and athletic contests, for example), but it includes all significant events that have been scheduled at the start of the school year. Please note that **the dates and times are subject to change**. **The monthly event calendars are the most current and reliable source of information**. Our website calendar is also updated regularly.
